11			Moon mold	FDA standard food-grade silicone material	High temperature resistance 240° Low temperature -40°	Product Dimensions: 510*360*9.5mm Carton Dimensions: 50*40*45CM Quantity: 50pcs/carton Gross Weight: 25.87kg Candy Volume: 3.8ml Gummy Weight: 5g	blue	500
12			semi-circular mold	FDA standard food-grade silicone material	High temperature resistance 240° Low temperature -40°	Product Dimensions: 390*390*11.5mm Carton Dimensions: 50*40*30cm Quantity: 50pcs Gross Weight: 23.38kg Candy Volume: 1.9ml Gummy Weight: 2.5g	blue	380
13			Easter egg molds	FDA standard food-grade silicone material	High temperature resistance 240° Low temperature -40°	Product dimensions: 365*355*11.85mm Carton dimensions: 50*40*42cm Quantity: 50 pcs Gross weight: 25.14kg Candy volume: 3ml Gummy weight: 4g	green	314
14			Coffee bean mold	FDA standard food-grade silicone material	High temperature resistance 240° Low temperature -40°	Product Dimensions: 358*358*7.5mm Carton Dimensions: 50*40*30cm Quantity: 50pcs/carton Gross Weight: 16.59kg Candy Volume: 1.2ml Gummy Weight: 1.6g	blue	340
15			Three cartoon-shaped molds	FDA standard food-grade silicone material	High temperature resistance 240° Low temperature -40°	Product Dimensions: 390*390*14.8mm Carton Dimensions: 50*40*45cm Quantity: 50pcs/carton Gross Weight: 25kg Candy Volume: 5ml Gummy Weight: 6.5g	blue	500

16			Bullet mold	FDA standard food-grade silicone material	High temperature resistance 240° Low temperature -40°	Product Dimensions: 405.5*336*17.3mm Carton Dimensions: 50*40*45cm Quantity: 50pcs/carton Gross Weight: 18.7kg Candy Volume: 2.4ml Gummy Weight: 3.2g	blue	390
17			Small cylindrical mold	FDA standard food-grade silicone material	High temperature resistance 240° Low temperature -40°	Product Dimensions: 365*360*8.9mm Carton Dimensions: 50*40*30CM Quantity: 50pcs/carton Gross Weight: 14.5kg Candy Volume: 0.92ml Gummy Weight: 1.2g	blue	290
18			2.4ml Bear Mold	FDA standard food-grade silicone material	High temperature resistance 240° Low temperature -40°	Product Dimensions: 341*333*12.2mm Carton Dimensions: 50*40*45cm Quantity: 50pcs/carton Gross Weight: 17.99kg Candy Volume: 2.4ml Gummy Weight: 3.2g	green	332
19			Grid mold	FDA standard food-grade silicone material	High temperature resistance 240° Low temperature -40°	Product Dimensions: 710*355*19.5mm Carton Dimensions: 50*40*45cm Quantity: 45pcs/carton Gross Weight: 23.55kg Candy Volume: 5.8ml Gummy Weight: 7.5g	blue	1200
20			Bear mold	FDA standard food-grade silicone material	High temperature resistance 240° Low temperature -40°	Product Dimensions: 460*330*11mm Carton Dimensions: 61*38*45CM Quantity: 62pcs/carton Gross Weight: 25.94kg Candy Volume: 1.11ml Gummy Weight: 1.4g	blue	450
22			Flat-bottomed square mold	FDA standard food-grade silicone material	High temperature resistance 240° Low temperature -40°	Product dimensions: 380*380*10mm Carton dimensions: 39*39*32cm Quantity: 25pcs/carton Gross weight: 22.97kg	transparent	960
23			4 Patterned Flat Bottom molds	FDA standard food-grade silicone material	High temperature resistance 240° Low temperature -40°	Product Dimensions: 410*405*20mm Carton Dimensions: 50*40*45cm Quantity: 33pcs/carton Gross Weight: 56kg Candy Volume: 8ml Gummy Weight: 10g	blue	1580

24			rectangular grid mold	FDA standard food-grade silicone material	High temperature resistance 240° Low temperature -40°	Product Dimensions: 362*347*14mm Carton Dimensions: 61*38*39cm Quantity: 50pcs/carton Gross Weight: 18.89kg Candy Volume: 4.8ml Gummy Weight: 6.2g	Purple	600
25			Square mold	FDA standard food-grade silicone material	High temperature resistance 240° Low temperature -40°	Product Dimensions: 355*355*14mm Carton Dimensions: 61*38*42cm Quantity: 50pcs/carton Gross Weight: 20.37kg Candy Volume: 4.8ml Gummy Weight: 6.2g	green	390
26			Small square mold	FDA standard food-grade silicone material	High temperature resistance 240° Low temperature -40°	Product Dimensions: 347*347*14mm Carton Dimensions: 61*38*38cm Quantity: 50pcs/carton Gross Weight: 15.54kg Candy Volume: 1.72ml Gummy Weight: 2.2g	blue	310
